

# Allan Butler Memorial Ride

**When:** Saturday the 20th of October

**Where:** Meet in This is the Place Monument  
Lower-East Parking lot (same location as 2005)

**Time:** 9:30 am

This is a low-key event of a group of friends that want to never forget Allan Butler. We invite all who would like to come. We will take a leisure ride up Emigration Canyon in remembrance of our teammate, friend, mentor and fellow Utah cyclist Allan Butler. We will regroup at the top for a moment of silence to remember Allan.

Allan was killed two years ago when he was hit by a car in Las Vegas crossing the strip. He left behind his wife, daughter, mother, father and his team. Allan was a great man that was both a fierce competitor and a humble winner. Allan influenced many lives, and changed mine. We miss you Allan.
